

Community Voices Presents:

**Addressing Health Disparities
Through The Creation Of A Statewide
Men's Health Report Card**

(APHA Session 4195 formerly entitled Development of the First North Carolina Men's Health Report Card)

**Tuesday, November 6
2:30 – 4 p.m.
Grand Hyatt
Independence F/G**

FirstHealth Community Voices, Denver Community Voices and New Mexico Community Voices have developed statewide Men's Health Report Cards to increase awareness of men's health issues, barriers to care and policy solutions.

Join us for an interactive panel discussion and learn:

- Strategies for how to develop a statewide men's health report card
- How to overcome data barriers and challenges
- Health disparities faced by men
- Policy implications to establish safety net services for men
- A comparison of North Carolina, Denver and New Mexico report cards
